# Financial Policy

Thank you for choosing North Dallas Oral & Maxillofacial Surgery. Our primary mission is to deliver the best and most comprehensive dental care available. An important part of the mission is making the cost of optimal care as easy and manageable for our patients as possible by offering several payment options.

The payment options you can choose from are:

-Cash, Visa, Mastercard, or American Express.
-NO INTEREST Payment Plans from CareCredit.

North Dallas Oral & Maxillofacial Surgery requires payment prior to the beginning of your treatment. If you choose to discontinue care before treatment is complete, your refund will be determined upon review of your case.
For patients with **dental** insurance, we are happy to work with your carrier to maximize your benefit and directly bill them for reimbursement for your treatment. Your dental insurance policy is a contract between you, your employer and the insurance company. We are **not** a party to that contract. Our involvement will be limited to supplying factual information to facilitate claim processing. All charges are your responsibility whether your insurance company pays or does not pay. Our office is out of network with all **medical** insurances. However, we will be happy to submit a claim to your medical insurance as an out-of-network provider on your behalf.

Not all services are a covered benefit in all contracts. Some insurance companies arbitrarily select certain services they will not cover. Fees for these services, along with unpaid deductibles and co-payments, are due at the time of treatment. If you choose to take advantage of special offers provided in our office, claims will not be filed with your insurance.

If your insurance company does not pay in 30 days, it is your responsibility to contact the insurance carrier to expedite payment. If your insurance carrier does not pay in full with in 45 days, we require that you pay the balance. **If your insurance does not pay at all, you are responsible for payment.** Balances older than 60 days may be subject to collection placement and fees.

A) I authorize payment from my insurance carrier be made directly to Dr. Afshin Rezvani.
B) I authorize this office to release necessary dental information.

A fee of $75 is charged to patients who miss or cancel two or more times without a 24-hour notice.

Patients are responsible for letting the office know about **ANY** changes to their insurance company or benefits that might affect the dental or medical coverage for services provided.

Again, thank you for choosing this office for your oral surgery treatment. We appreciate your trust in us and the opportunity to serve you.
